Assalamu Alaikum Warahmatullah.
Dear Averroes Families,

We would like to inform you that the vocabulary list has been delivered to the students for final term which will be held on March-2020. They should learn the spellings by understanding the meaning for the Spelling Bee Program. The Bengali vocabulary list is for the Bengali Spelling Bee Program and the Arabic vocabulary list is for the Arabic Spelling Bee Program. Alhamdulillah, students are learning vocabularies & spellings according to their classwork & homework procedure. The winner of each round will be selected for the final round (Oral test) Insha' Allah. Therefore, we request our parents to monitor & ensure our children to learn at list 20 spellings each day.

Warm Blessings!
